## Water Act 1912 Order under Section 117E

---

### **Groundwater allocations for 2007/2008 Water Year** Peel Valley Alluvium 005

The Water Administration Ministerial Corporation notifies groundwater entitlement holders that the water shortage zone known as the Peel Valley Alluvium 005 is unlikely to have sufficient water available to meet the requirements of persons authorised by law to take water from this water source or to meet other requirements for water previously determined by the Ministerial Corporation.

Accordingly, except as provided for hereunder, all groundwater allocations are reduced to 45 per cent of licensed entitlement from 7 December 2007 to 30 June 2008.

This reduction does not apply to allocations under entitlements for town water supply.

This Order takes effect from 7 December 2007 and will continue in force until 30 June 2008 unless it is repealed by Order before that date.

This Order revokes any previous Order published in the Gazette under section 117E of the Water Act 1912 for the Peel Valley Alluvium 005 [*or the Peel Valley Groundwater Management Area Sub-zone 1 Alluvium*].

Dated this 7<sup>th</sup> day of December 2007

Signed for the Water Administration Ministerial Corporation:

#### **DAVID HARRISS**

Deputy Director-General  
Department of Water and Energy  
(By delegation)
